

Irvine Swim League Rules

Changes to these Rules may be considered at the annual Rules Committee meeting and shall be effective only upon ratification by the Board of Directors at its regular annual meeting. The Executive Board is responsible for reviewing and taking action on any exceptions.

I. Eligibility

- A. Irvine Swim League membership is limited to children living in the City of Irvine aged 5-18 as of June 1 of the current swim season. Residency verification will be required of all swimmers upon request by the ISL designee (aka Registrar). Exceptions include: Swimmers who live outside of the city of Irvine but who attend a school located within the city of Irvine. Non-resident swimmers may be approved on an individual basis by a majority vote of the Executive Board provided that no resident swimmers are being displaced due to residency exceptions. This approval is valid for one season and non-resident swimmers must re-apply for exemption annually.

Swimmers are encouraged to swim with their association team. A swimmer whose association team is full may join a city team or association team that is open to nonresidents. A swimmer living in an area without an ISL association team may join a city team or an association team that is open to nonresidents.

Swimmers shall not be required to tryout, attend preseason clinics, or pay for private swim lessons to participate. A swimmer may be removed from a team for water safety issues.

The Irvine Swim League will make reasonable accommodation for persons with disabilities who wish to participate in this program. All requests for reasonable accommodation shall be made to the Executive Director.

- B. A swimmer who has been on the same ISL team during the immediately preceding season, prior to the current season, and who competed in a minimum of one dual or tri-meet during the current season may be allowed to earn points in competition for a club swim team. In addition, any swimmer who has swam for an ISL team in any prior year and has not since swam for another ISL team, may be allowed to earn points in competition for a club program. All other swimmers belonging to year round “club” programs must be formally “detached” from day one of the current season through the Championship Meet or at the time of their registration through the Championship Meet, whichever is later. Proof of detach must be provided upon request by an ISL designee. These swimmers may not earn points in competition for another team or club. They are encouraged to actively participate in workouts and meets of their ISL team from day one of the current season through the Championship Meet.

In the event an ISL team dissolves, those swimmers who were exempt from detaching on the dissolved team still retain that exemption if they join another ISL team.

If an ISL registered swimmer is found to have not detached when required to do so for the complete detachment period, that swimmer may not earn points, place or set records at the ISL Championships meet for the current season. If the failure to detach is discovered after the Championship meet, points, places and records for that Championship meet may be adjusted.

Notwithstanding the previous statement, swimmers in the 5/6 and 7/8 age groups shall not be required to detach from their year-round “club” swim program.

Swimmers who are members of a team that enters into an “inactive” status may change teams for the upcoming season without being subject to the detachment rules. If the “inactive” team comes back to active status the following year/season, and a swimmer that left the team or did not swim during that season wants to return to that team or join any other team, they will not be subject to the detachment rule.

- C. To provide the option to participate in “fun races” during an ISL meet, children and parents must be on record with the league and pay an insurance fee. The “fun race” participants shall abide by the ISL Registration Rules.
- D. There will be no recruiting among teams. If a team is found to be recruiting year round swimmers who are not required to detach per section B above, the exemption from detach can be voided upon review and vote by the Executive Board. In addition, teams who are found to be recruiting will be subject to sanctions from the Judicial Committee.
- E. Teams are accepted for membership with their previous seasons’ roster of swimmers and their siblings. New members must be eligible under Rule I.A

A. Formal Protest Forms

The ISL shall provide formal protest forms (see example at Appendix H) to every team's president, or league representative prior to the beginning of the season, upon request during the season, and at ISL General Board Meetings. Each team shall have protest forms at the scoring tables during Meets.

Every parent, team officer and member of the ISL Executive Board obligates him or herself to file a formal protest form whenever they discover, first hand, a violation of the Rules.

B. Submission of Protests, Judicial Committee Process, Appeal Process

The person who signs the formal protest form shall submit it to the ISL Board, by personal delivery, mail, e-mail or fax to the Executive Director, the President or the President Elect within a reasonable period of time after the alleged rules violation or their knowledge of the alleged rules violation.

The ISL Board shall appoint four (4) people to serve on a Judicial Committee for each season. One of the 4 people appointed shall be the President Elect, who shall serve as the chairperson of the Judicial Committee, and who, except as described below, shall not vote regarding rules violations. The other three (3) committee members, who, except as described below, shall be the only voting members of the committee, shall be appointed from the other members of the ISL current or past Executive Board. No committee member shall be entitled to vote concerning a rules violation that involves that committee member's own team (team upon which the ISL Executive Board Member has a swimmer). The chairman shall vote for any deadlocks in the event that a committee member's team is charged with a violation, and the two disinterested committee members are unable to agree.

All meetings of the Judicial Committee may be held with no less than 24 hours notice. Notice may be given personally in writing, mail, e-mail, fax, or by telephone to the president or team representatives of the team against whom a protest is filed (the "offending team"), with a general statement of the alleged rules violation.

The offending team shall have the right to obtain a copy of the protest form upon request. The offending team shall be entitled to one (1) continuance, prior to or at the meeting, for one (1) working day (the term working days shall exclude weekends and holidays).

Attendance at the meetings shall include, but not be limited to the members of the Judicial Committee, the Executive Director, and the person or persons who filed the protest, and the president (or their designee) of the offending team. If no representative of the offending team attends the meeting, and it is shown that they were notified of the committee meeting within the time prescribed, then the Judicial Committee may, irrespective of the appearance of any representative of the offending team, rule on a protest as a default.

Meetings shall be conducted in a manner to assure each side an opportunity to be heard and to rebut the charges made by the other party. After each side of the protest has had a chance to be heard and submit evidence, the Judicial Committee shall excuse the parties and shall confer to reach a decision. If the Judicial Committee decides that a violation of the rules occurred, then it shall determine an appropriate penalty.

All decisions of the Judicial Committee, and the recommended penalty, if any, shall be submitted by the chairman of the committee in writing to the ISL Board and the team or individual against whom the protest was filed. Decisions of the Judicial Committee that a rules violation has occurred, and that a penalty has been recommended by it, shall be final and the penalty enforced, 48 hours after its submission to the ISL and receipt by the team against whom the protest was filed, unless The team against whom the protest was filed lodges, within 48 hours of its notification of the Judicial Committee decision, a written appeal with any member of the ISL Board that requests a new hearing before the entire ISL Board; or the decision of the Judicial Committee and the penalty recommended would cause the team against whom the protest was filed to: be temporarily or permanently suspended from the ISL; be required to forfeit meets or team awards; or be excluded from any meet, including dual, tri, or championship meets, in which event the appeal to the full ISL Board shall be automatic; or ISL Executive Board elects, because of the gravity of the charges and the penalty recommended by the Judicial Committee to bring the final determination to the full ISL Board.

On an appeal based on the three (3) events, labeled (i), (ii) or (iii), immediately above, the Judicial Committee decisions shall not be final, but shall be deemed a recommendation to the full ISL Board and the full ISL Board shall meet to make a final determination of the protest. Such meeting shall be held on not less than 24 hours notice, given in the same manner as prescribed above for Judicial Committee hearings, and shall include all interested presidents and team representatives of the ISL, the ISL Executive Board, the Executive Director, and all interested parents. Such meetings shall be held in a manner that allows each side to be heard. Decisions on appeal may include adopting the recommendations of the Judicial Committee, rejecting the recommendation of the Judicial Committee, and/or other decision of the full ISL Board.

C. Penalties for Violations of the Rules/Enforcement

Penalties for violation of the rules of the ISL may include, but not be limited to, written warning, immediate temporary or permanent suspension, forfeiture of meets and team awards, exclusion from workouts, dual meets, tri meets, and/or championship meet, exclusion from ISL, and/or monetary fines of up to \$300 per violation, with multiple fines for multiple violations of the same rule. All penalties and fines may be enforced immediately. All fines are payable within thirty (30) days or prior to championship seeding. Subject to the Judicial Committee and Appeals Process described above, upon becoming final, all penalties and fines may be enforced immediately. Failure to pay a monetary fine shall be deemed a violation of the rules which may subject the offending team to further, and harsher sanctions, including, but not limited to the non-monetary penalties described above. Notwithstanding anything to the contrary in these Rules, the offending teams payment of monetary fines to the ISL, after final determination of a rules violations, hereunder, may be made a condition to the teams competition in any ISL league event, including the final championship meet.

Confrontations between or among a) parents, b) parents and officials, or c) parents and coaches, shall not be tolerated. Violations of this rule shall result in immediate expulsion from the meet, workout, or other meeting at which the confrontation arises and may result in penalties to both the parent's team and the offending parent, including but not limited to expulsion from all ISL/team activities (e.g., practices and meets) for the remainder of the season.

The ISL reserves the right at all times to suspend the formal protest, hearing and appeal procedures described in this Article, if it deems necessary, for the immediate expulsion of anyone from a meet, workout, board meeting or other ISL function, if it believes, that the safety, or well being, of anyone is threatened or compromised in any way. The incident shall then be referred to the Judicial Committee for further action.
