

Dear Irvine Business Owner:

The Irvine Swim League (ISL) was founded in 1985 with 260 swimmers. In our 33rd season, we have grown to 21 teams with almost 2750 swimmers and 1650 Irvine families. Our mission remains the same today as it was in 1985: to provide individual competition in a team environment with an emphasis on water safety and to promote sportsmanship and improved relationships between swimmers, parents and neighbors.

As a non-profit organization, we are actively seeking local businesses to partner with. We offer several levels of sponsorship packages, all offering exposure for your business to our member families as you support swimming in Irvine.
