

The Irvine Swim League (ISL) was founded in 1985 with 260 swimmers. Almost 40 years later, we have grown to 22 teams, 2800 swimmers and 1750 Irvine families. Our mission remains the same today as it was in 1985: to provide individual competition in a team environment with an emphasis on water safety and to promote sportsmanship and improved relationships between swimmers, parents, and neighbors.

As a non-profit organization, we are actively seeking local businesses to partner with. With several levels of sponsorship available, we offer a wide variety of exposure for your business to our member families as you support swimming in Irvine.
